

CLEANING AND MAINTENANCE INSTRUCTIONS

Properly maintenance plays an important role in the strength and durability of the product. We recommend that you clean your product as mentioned here:

All surfaces should be cleaned with a microfiber cloth, glass cleaner or other non-abrasive and gentle agents. Use a soft dry cloth to wipe dry.

When polishing steel with a hairline finish, please remember always to polish with the grain of the steel.

For further help and advice, please contact FROST at info@frost.dk.

Cautions

Do not immerse in water or place in dishwasher.

Avoid using sharp objects to remove dirt.

Please be aware of the fact that stainless steel may become very hot if it comes into contact with boiling water or is placed on top/under heat sources such as pots.

Practical information

In the case of manufacturing defects, please contact the store where the product was purchased. Always remember to bring your receipt.
